

20 July 2020

OMEGA DIAGNOSTICS GROUP PLC
("Omega" or the "Company" or the "Group")

Investor presentation

Omega (AIM: ODX), the medical diagnostics company focused on CD4, infectious diseases and food intolerance testing, announces that a recording of the online Company presentation, which was delivered live by Colin King, Chief Executive, and Kieron Harbinson, Group Finance Director on Wednesday 15 July, surrounding the Company's results and an update on the business and current trading, is now available to watch back on the Investor Meet Company platform. The Q&A has also been published following the meeting.

Investors can sign up to Investor Meet Company for free and add to meet Omega Diagnostics Group plc via the following link, which will take you to the recording of the presentation and the Q&A:

No new price-sensitive information is disclosed as part of the presentation. Within the presentation the Company provides indicative guidance on timelines for product evaluations, product supply, potential timing for first commercial sales and targeted production volumes. These timelines are for guidance purposes only and there is no guarantee that these will be met. The Company expects to keep shareholders updated regularly on progress in achieving these future milestones.
